

VT 1200 RCL

VT 1200 RCL is a powerful mobile underwater lighting unit with camera adaptor for illumination of underwater outage services. It is perfectly suited for all offloading and refueling applications when placed on the core plate.

Features

- High illumination with 1200 W
- Stainless steel
- Adapter for visatec camera systems
- 50 m cable reel included
- Control unit splash-proof
- Watertight up to 50 m (5 bar)

Applications

- Illumination of reactor core
- Illumination of tanks
- Underwater inspections of all kind
- Illumination while offloading and refueling

Technical Data:

VT 1200 RCL underwater lighting

Weight	23.25 kg / 51.25 lbs
Dimensions	760mm x 205 mm (H x ø) with holder 1000 mm x 205 mm (H x ø) with holder for camera
Lighting	3 x 400 watts halogen
Power	110 V / 220 V
Housing	stainless steel
Temperature	0 – 50°
Watertight	up to 5 bar

Accessories

- Holder / adaptor for visatec inspection cameras
